## LOCATION

The Batu Islands, nestled in the Indian Ocean, have gained global recognition as a premier destination for surfers. Pinnacles, located at the northern tip of the islands near the local island of Telo, offers a remarkable retreat for travellers seeking adventure and relaxation. Here's a breakdown of what you can expect:

**ZERO POINT:  
WHERE EVERY JOURNEY  
BEGINS ANEW**

## GETTING THERE

- **Flight:** direct flights from Padang in Sumatra to Lasondre Air Strip offer the most convenient access. Due to flight scheduling, overnight stays may be necessary on arrival or departure. From there, it's just a short 15-minute boat ride across the breathtakingly clear waters of the bay to Pinnacles Island Resort.
- **Speedboat:** alternatively, travellers can opt for a speedboat ride, with Nias Island being the nearest point. This journey takes approximately 1 hour and 45 minutes, delivering you right to the beach of Pinnacles. For the more adventurous this route includes an overnight stay at the southern tip of Nias Island for a morning surf before departing for Pinnacles and likewise on the return with an afternoon Surf.

### **Ripple**

The bar at Pinnacles offers a selection of drinks featuring branded spirits and non alcoholic options. For those who like to focus on the well being we have a selection of smoothies and fresh juices. A firm favourite is fresh Coconut straight from the trees on the Island, refreshing and revitalising it is a great way to see the sunset.

### Pathway (Completion Q4 2024)

For those with a more adventurous spirit we have the pathway that follows the contours and circumnavigates Pinnacles Island. Through the jungle, winding its way to the ocean, cliff tops and hidden treasures of the island it offers the opportunity to enjoy the natural splendour of our stunning island. Hidden along the way are various retreats where you can rest and absorb the surroundings, maybe find a location to rest up and catch up on some work or read a book.
